Best Up & Coming Referee – Nominees – 1. David Butler 2. John Hayes 3. Paul Horgan

Nomination Guidelines

Top Player Awards will be decided upon by using a scoring system based on the short list of players nominated by the various teams. Each club has nominated three players for this award for the league in which that team plays. The points system being employed means Managers/Captains are allocating the number 1 to their Number 1 vote, 2 for their Number 2 vote and 3 for their Number 3 vote and so on. You can NOT vote for players nominated from your own club. You can vote for as many players as you like in ascending order.

Top Goal Keeper will be decided with a similar scoring system when Managers/Captains vote their preference for the players short listed for the award. Your first preference should go to your first choice goal keeper for the award and so on in ascending manner, i.e. marking number 1 for your first preference and so on as outlined on scoring chart attached.

Best Referee Category will require Managers to choose from ONE of the referees nominated by FAI Referee Assessor Gary O'Shea, which is based on his continual assessment of the nominated referees over the 2015/16 season.

Best Facilities and Most Improved Facilities categories will be decided upon by Managers/Captains who have experience of the facilities. Managers are NOT allowed to vote for their own club.

Nominations are required to have completing Managers/Captains name included to allow for complete transparency and forms will open to independent audit in the event of a query arising.

Please also see details for nominating club members for the NT&DL Hall of Fame Award. Nominations must be returned before the agreed submission date to have nominations included.

Third Division Short Listed Players for Top Player Award

Player Name	Club	Score
